May I list the basic Etiquettes as a reminder?

- Members must play at Naldehra Golf Course minimum twice a month failing which right to be part of Naldehra Golf Club team in a tournament will get diluted. Repeated or long absence may compel the management to initiate stern action.
- On a tournament day, kindly do not embarrass the organisers by demanding preferential treatment.
- Members are humbly requested to be punctual especially on the tournament days.

- All games are played by gentleman. Golf too seeks divine messengers, Say no to orchestration; do not bring bad temper to the course, be the epitome of sporting ethos.
- Avoid forcing last minute changes on the organisation, especially through emotional blackmail.
- Suggestions are welcome provided you join hands to implement them.
- Be polite to the ground staff and caddies.
- Kindly, do not patronise a particular caddy. The practice engenders infective depravity.

Note:

The List of defaulters since 2007 till date has been displayed at our website (naldehragolfclub.com).
